

NN14 Panel Submission Form

Introduction

If your panel submission is chosen to be presented at Netroots Nation 2014, we need to make sure you understand your commitment as a panel organizer. Please confirm your understanding by checking the boxes below:

NEW IN 2014: I understand that speakers will be asked to pay a deeply discounted registration fee in order to take part in Netroots Nation *

I understand this and accept responsibility for making sure my panelists are aware of this.

I understand a significant amount of work will be required of me in the months and weeks (not days) before Netroots Nation 2014. *

I understand this and accept responsibility for this work.

I understand that while my idea may be selected, Netroots Nation may ask that I tweak the panel (either its content or makeup) to fit general themes and ensure a diversity of thought *

I understand and accept that my panel may be tweaked.

As a panel organizer, I will play a pivotal role as an intermediary between Netroots Nation and my panelists. Netroots Nation will send out communications, but I hold the primary responsibility for keeping my panelists up to date on relevant information and keeping Netroots Nation informed of any changes or challenges I'm having with my panel or panelists. *

I understand and accept that I'm the panel organizer for this submission.

I will adhere to all deadlines and provide information to NN as it is requested and in a timely manner. Failure to provide NN with necessary information can lead to cancellation of a panel *

I understand and accept responsibility for meeting NN deadlines
